## PRESENTATION

*The CCIPRA 2025 – International Congress of Corrosion, Integrity, Painting and Corrosion Protection aims to bring together specialists and other professionals from the painting, anti-corrosive coatings and other areas of anti-corrosive protection segments to present and discuss topics of great relevance to all companies that use these techniques in the anti-corrosive protection of equipment and metal structures in general.*

*In its sixth edition, CCIPRA 2025 has established itself as the most important event in the area of painting and anti-corrosive protection in Brazil, becoming a reference in the national and international market.*

*With dedication and commitment, CTQFF is committed to making CCIPRA 2025 a milestone of excellence and innovation!*
